

Durbin Park Concession Stand St. Johns County, FL

Project Description:

Matthews Design Group, Inc. (MDG) prepared construction plans and provided construction services for a concession stand addition in the Durbin development in northwest St. Johns County. The project required that the existing baseball park and surrounding roadway and parking continue operation during construction. Additionally, fire department access to the building was accommodated without impact to any of the surrounding fields.

Project Manager: *Rob A. Matthews III, P.E.*

Project Status: *Complete 2009*

Client: *St. Johns County*

MDG Services Provided:

- Site & utility design
- Utility extension design
