

Nocatee Trailhead Park North Ponte Vedra, FL

Project Description:

Matthews Design Group, Inc. (MDG) completed engineering and design for a 4.7 acre trailhead park in Nocatee near Ponte Vedra, Florida. The park will serve as a parking and picnic area for users of the Nocatee Greenway trail system. The parking area provides space for horse trailer parking, allowing equestrian access to the north end of The Greenway trail system.

Project Manager: *Scott A. Knowles, P.E.*

Project Status: *Complete 2010*

Client: *St. Johns County*

MDG services provided:

- Stormwater modeling
- Site & utility design
- Offsite utility extension design
- Permitting with FDEP, ACOE, St. Johns County, & St. Johns River Water Management District
- Preparation of bidding documents
- Construction administration
