- Permitting with the City of St. Augustine and St. Johns River Water Management District

### » Owner

Catholic Diocese of St. Augustine

### » MDG's Role

Prime engineering consultant

### » Status

Completed 2009

## CATHEDRAL PARISH SCHOOL IMPROVEMENTS, PHASE 1 ST. AUGUSTINE, FLORIDA

Cathedral Parish School

Matthews Design Group (MDG) completed Phase 1 design and permitting for the expansion of the Cathedral Parish School. Phase I added a new classroom building. Phase 2 will consist of a second classroom building and improved parking areas for staff and visitors. Located in historic downtown St. Augustine, this project required a balance of functionality and preservation to retain the historic quality of the neighborhood.
